PLANTING SEEDS

Dear Parish Family:

So we are trying to grow grass on Maple Avenue. There are parts of the grounds there that were not always able to get the attention they deserve. For safety reasons, we also had to remove an electrical panel that was in the grass. So, as you can see, the seeds are there. We are hoping they take root! I admit I do go looking to see if it's taking hold. A friend was with me on Tuesday night and he saw me and called out, "What are you counting the blades of grass?" To which I replied, "Maybe".

We have been entrusted with these buildings and grounds and when they are well kept not only is it a good use of our resources but also, I believe, it is a sign of our honor and appreciation for God's gift to us. (I'm not sure how God feels about boilers and roofs, but we're on good ground with nature!).

I was down at Maple Avenue a number of times this week to see different seeds planted. First, we had a number of our "moving up" ceremonies in our Early Childhood program. What a gift to be part of those, even for a few minutes. More importantly, what a gift to be even a small part of our school community.

Seeds are planted here, like few other places I know. It's great to see the seeds of knowledge and socialization and motor skills develop. You can see the growth from Nursery and Pre-K and I imagine even more so tomorrow for Kindergarten graduation and I hope even more so for our eighth graders this weekend.

But the ultimate soil, the ultimate foundation for these seeds is a Catholic community of faith. This is why the school is one of our most important missions as a parish. We need to have a school like St. Brigid/Our Lady of Hope that provides the soil of value that allows all other things to grow. We are producing incredible scholars and but even more incredible disciples.

I cannot encourage you enough to make sure you are considering our Catholic school for your child, godchild or grandchild. (We even have some openings in the 2024-25 classes.) Your child will be on good ground when you make this sacrifice (and we are blessed with some resources to assist you financially!). I know it is not easy and it is a huge commitment...but I assure you the

growth you will see will astound you! It will change the Church and the world too!

This week, we also held Family Faith Formation Information sessions. Here Jackie DeLeon, Vince Buzzeo, Rosemary Moreno and I welcomed and spoke with parents about our new models of Faith Formation. It is a big change...and undoubtedly it has shaken some foundations for some of our families. These presentations and conversations were awesome. It was good to hear concerns, be able to explain reasoning for changes, map out what this is likely to look like, and to respond to questions.

This change, I believe, is also going to produce good soil for the seeds of faith to take root not only in our young people but in our families and our parish as well. This is where formation has to happen.

I cannot say that every family that came to the meetings was thrilled when they arrived, and some were not happy when they left. (Some have chosen to work with other parishes for their child's faith formation.)

I can say it was nice to see a conversion or a better understanding for many of the moms and dads and grandparents and family members who came. By the end some were even smiling and laughing... a good sign and almost everyone at these meetings signed up for the upcoming formation year.

I hope you will consider joining our Family Faith Formation program in the year ahead. We need adults and young adults who will help to plan wonderful retreat like activities for families, small group leaders to accompany our candidates for the celebration of the Sacrament of Confirmation, adults to walk with our older children preparing to be baptized and so much more! I think your involvement will offer you hope as you help to plant seeds for the present and the future.

So, I'm not so sure about the seeds of grass by Maple Avenue. We'll see what happens. I am sure about the seeds of faith, knowledge and new life that are being planted in our incredible Catholic school and Family Faith Formation program. Do you know what would increase growth exponentially - you and your family!

Please pray for me - I promise the same.

EL POST DEL PARROCO

PLANTAR SEMILLAS

Querida familia de la Parroquia:

Estamos tratando de hacer crecer el césped en la Avenida Maple. Hay partes del terreno que no siempre han recibido la atención que merecen. Por motivos de seguridad, también tuvimos que retirar un cuadro eléctrico que estaba en el césped. Así que, como pueden ver, las semillas están ahí. Esperamos que echen raíces. Reconozco que espero a ver si arraigan. Un amigo estaba conmigo el martes por la noche y, al verme, me gritó: "¿Qué estás haciendo, contando las briznas de hierba?". A lo que respondí: "Tal vez".

Se nos han confiado estos edificios y terrenos, y cuando están bien cuidados no sólo es un buen uso de nuestros recursos, sino también, yo creo que es una señal de nuestro honor y aprecio por el regalo que Dios nos ha hecho. (No sé qué pensará Dios de las calderas y el techo, pero con la naturaleza vamos por buen camino).

Estuve en Maple Avenue varias veces esta semana para ver diferentes semillas plantadas. En primer lugar, tuvimos varias ceremonias de "ascenso" en nuestro programa de Educación Infantil. Qué regalo ser parte de ellas, aunque sea por unos minutos. Y lo que es más importante, qué regalo ser aunque sólo sea una pequeña parte de nuestra comunidad escolar.

Aquí se plantan semillas como en pocos otros lugares que yo conozco. Es fantástico ver cómo se desarrollan las semillas del conocimiento, la socialización y las habilidades motoras. Usted puede ver el crecimiento de la Guardería y Pre-K y me imagino que aún más mañana en la graduación de Kindergarten y espero (!!) aún más para nuestros alumnos de octavo grado este fin de semana. Pero el terreno definitivamente, la base definitiva para estas semillas es una comunidad católica de fe. Por eso la escuela es una de nuestras misiones más importantes como parroquia. Necesitamos tener una escuela como Santa Brígida/Nuestra Señora de la Esperanza que proporcione la tierra de valor que permite que todas las demás cosas crezcan. Producimos estudiantes increíbles y discípulos aún más increíbles. No puedo animarle lo suficiente para asegurarse de que está considerando nuestra escuela católica para su hijo(a), ahijado(a) o nieto(a) (Incluso tenemos algunas vacantes en las clases de 2024-25.) Su hijo estará en buen terreno cuando usted hace este sacrificio (¡y estamos bendecidos con algunos recursos para ayudarlo financieramente!). Sé que no es fácil y que es un compromiso enorme... ¡pero le aseguro que el crecimiento que verá le asombrará! Cambiará la Iglesia y también el mundo.

Esta semana también hemos celebrado sesiones informativas sobre Formación de fe y Familia. Aquí Jackie

DeLeon, Vince Buzzeo, Rosemary Moreno y yo dimos la bienvenida y hablamos con los padres sobre nuestros nuevos modelos de Formación en la Fe. Es un gran cambio... y sin duda sacudió algunos cimientos para algunas de nuestras familias. Estas presentaciones y conversaciones fueron impresionantes. Fue bueno escuchar las preocupaciones, ser capaces de explicar el razonamiento para los cambios, trazar lo que es probable que esto parezca, y responder a las preguntas.

Creo que este cambio también va a producir un buen terreno para que las semillas de la fe arraiguen no sólo en nuestros jóvenes, sino también en nuestras familias y en nuestra parroquia. Aquí es donde tiene que producirse la formación.

No puedo decir que todas las familias que vinieron a las reuniones estaban encantadas cuando llegaron, y algunas no estaban contentas cuando se fueron. (Algunas han optado por trabajar con otras parroquias para la formación en la fe de sus hijos).

Puedo decir que fue agradable ver una conversión o una mejor comprensión para muchas de las mamás, los papás, abuelos y familiares que vinieron. Al final algunos incluso sonreían y reían... una buena señal y casi todos en estas reuniones se inscribieron para el próximo año de formación.

Espero que consideren unirse a nuestro programa de Formación de Fe Familiar en el año que viene. Necesitamos adultos y jóvenes adultos que ayuden a planear maravillosos retiros como actividades para las familias, líderes de grupos pequeños para acompañar a nuestros candidatos para la celebración del Sacramento de la Confirmación, adultos para caminar con nuestros niños mayores que se preparan para ser bautizados y ¡mucho más! Creo que su participación le ofrecerá esperanza así como usted ayuda a plantar semillas para el presente y el futuro.

Así que no estoy tan seguro de las semillas de hierba junto a la avenida Maple. Ya veremos qué pasa. Estoy seguro de las semillas de fe, conocimiento y nueva vida que se están plantando en nuestra increíble escuela católica y en el programa de Formación en la Fe de la Familia. Sabe usted lo que aumentaría el crecimiento exponencialmente - ¡usted y su familia!

Por favor, reza por mí - le prometo hacer lo mismo.

WALK OF LIFE

An area in need of immediate attention is the walkway between St. Brigid's Church and the Rectory building. It has become overgrown at points and even more significant is the lifting of the concrete from the trees presently in place which are now creating significant safety risks.

With the assistance of a significant donation from a parishioner in memory of a loved one, we are not only able to make repairs but make something even more beautiful on St. Brigid Green.

This new walk of life will include:

- A statue of St. Brigid for all who pass by our beautiful Church to see.
- A place to sit and pray before the statues of the Blessed Mother (remaining) and St. Brigid.
- Opportunities to memorialize bricks in the name of loved ones for years to come.
- Opportunities to memorialize plantings that will make our grounds even more beautiful.

Opportunities to Support

If you would like to help sponsor or co-sponsor a part of this project (i.e. the statue of St. Brigid, a planting, a memorial brick, etc.) please contact Marcel Catafago at 516.334.0021 or email to marcel.c@saintbrigid.net

WALK OF LIFE

Statue of Saint Brigid

One of the highlights of our new Walk of Life on Post Avenue will be the creation and installation of a statue of Saint Brigid for all on Post Avenue to see! There is no exterior statue of St. Brigid on our grounds, so this will be a wonderful sign in the community! See some images below we are working on (in clay). The final statue will be in marble to better match the statue of the Sacred Heart and Our Lady of Grace.

Opportunities to Support

We have received some beautiful donations for this projects....and can always use a few more! If you would like to specifically sponsor or apply a larger donation to the creation of this statues, please contact Marcel Catafago at marcel.c@saintbrigid.net or call 516.334.0021.

PRAYER AND WORSHIP

PRESENTATION OF THE GIFTS

It's that time for the collection—bringing up the gifts—an ancient tradition we still use in our Catholic Mass, derived from when people brought up their sheep, crops, etc to the temples to honor their deities. Today, (thankfully live animals are not involved) besides the wine and bread, which will become the Body and Blood, we offer of our earnings, whether a dollar or ten or a hundred, and we hope our young children will see our sacrifices and emulate our example, in assisting Christ's bride, the Church.

But wait, why did that parishioner to my left not put anything in the basket when the usher passed it along? Perhaps he or she already gave electronically using the on-line system, VANCO.

This is a convenient way to give, and you have online control, there is no cost to you and gives us a predictable stream of revenue. It is a safe and convenient way to show your support.

Please go on line at <https://secure.myvanco.com/L-ZAFC/home> or click the QR Code and hit the sign up at top of page to create an account, or simply hit the appropriate button on that page to make an instant one-time or ongoing donation. Thank you!!!!

## Looking Ahead... Twelfth Sunday in Ordinary Time

*Pray with next Sunday's readings and consider these questions. You can access the readings at [www.usccb.org](http://www.usccb.org) or by making use of the Sunday's Word or Sanctus books.*

### **First Reading: Job 38:1, 8-11**

The Lord reminded Job that the sea, in all its power, was made by God. God has set limits and "fastened the bar of its door" and said, "proud waves be stilled!"

- How do we confront our fears?
- Where do we find signs of God's work?

### **Second Reading: 2 Corinthians 5:14-17**

Christ died that all who believe in him might live for the Lord. The old order has passed away. "So whoever is in Christ is a new creation."

- How can we show others that hope is

a reality?

- How can we show our faithfulness to God?

### **Gospel: Mark 4:35-41**

When a storm threatened to sink the boat in which Jesus and his disciples were sitting, Jesus ordered the wind and the sea to be quiet. Immediately the sea became calm.

- When confronted with fear, what can we do?
- How do times of fear and uncertainty strengthen our faith in God?
